SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Notice of Termination, Suspension, Reduction, or Increase in Benefit Payments information collection. Coal mine operators, their representatives, and their insurers who have been identified as responsible for paying Black Lung benefits to an eligible miner or an eligible surviving dependent of the miner are called Responsible Operators (ROs). An RO who pays benefits to a beneficiary is required to report any change in the benefit amount to the Division of Coal Mine Workers' Compensation within the OWCP. Form CM-908, when properly completed and submitted, notifies the agency of the change in the beneficiary's benefit amount and the reason for the change. This information collection has been classified as a

revision, because of minor enhancements to Form CM-908; however, no changes to the content in the form of the form are proposed. Federal Mine Safety and Health Act of 1977 section 432 authorizes this information collection. See 30 U.S.C. 942.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0030. The current approval is scheduled to expire on August 31, 2015; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on February 18, 2015 (80 FR 8699).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240-0030. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or

SUPPLEMENTARY INFORMATION: The Assistant Secretary of Labor for Occupational Safety and Health invites interested persons to submit nominations for membership on MACOSH.

Background

The Secretary of Labor renewed the MACOSH charter for two years on April 30, 2015. MACOSH is a Federal Advisory Committee established under the authority of the Occupational Safety and Health Act (OSH Act) (29 U.S.C. 651 *et seq.*), the Federal Advisory Committee Act (FACA) 5 U.S.C. App. 2, and regulations issued pursuant to those statutes (29 CFR part 1912, 41 CFR part 102–3). The Committee advises the Secretary of Labor on matters relating to occupational safety and health programs, enforcement, new initiatives, and standards for the maritime industries of the United States, which include longshoring, marine terminals, commercial fishing, and shipyard employment. OSHA invites persons interested in serving on MACOSH to submit their names for consideration for Committee membership.

MACOSH reports to the Secretary of Labor through OSHA, and functions solely as an advisory body. MACOSH provides recommendations and advice to the Department of Labor and OSHA on various policy issues pertaining to safe and healthful employment in the maritime industries. The Secretary of Labor consults with MACOSH on various subjects, including: Ways to increase the effectiveness of safety and health standards that apply to the maritime industries, injury and illness prevention, the use of stakeholder partnerships to improve training and outreach initiatives, and ways to increase the national dialogue on occupational safety and health. In addition, MACOSH provides advice on enforcement initiatives that will improve the working conditions and the safety and health of workers in the maritime industries. The Committee meets approximately two times per year. Committee members serve without compensation, but OSHA provides travel and per diem expenses. Members serve a two-year term, which begins from the date of appointment by the Secretary of Labor. The current MACOSH membership term expires on January 16, 2016.

MACOSH Membership

MACOSH consists of not more than 15 members appointed by the Secretary of Labor. The Agency seeks committed MACOSH members who have a strong interest in the safety and health of

workers in the maritime industries. The U.S. Department of Labor is committed to equal opportunity in the workplace. The Secretary of Labor will appoint members to create a broad-based, balanced and diverse committee reflecting the shipyard, longshoring, and commercial fishing industries, and representing affected interests such as employers, employees, safety and health professional organizations, government organizations with interests or activities related to the maritime industry, academia, and the public.

Nominations of new members or resubmissions of former or current members will be accepted in all categories of membership. Interested persons may nominate themselves or submit the name of another person whom they believe to be interested in, and qualified to serve on, MACOSH. Nominations may also be submitted by organizations from one of the categories listed above.

Submission Requirements

Nominations must include the following information:

- (1) Nominee’s contact information and current employment or position;
- (2) Nominee’s resume or curriculum vitae, including prior membership on MACOSH and other relevant organizations and associations;
- (3) Maritime industry interest (e.g., employer, employee, public, safety and health professional organization, state safety and health agency, academia) that the nominee is qualified to represent;
- (4) A summary of the background, experience, and qualifications that addresses the nominee’s suitability for membership; and
- (5) A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in MACOSH meetings, and has no conflicts of interest that would preclude membership on MACOSH.

OSHA will conduct a basic background check of candidates before their appointment to MACOSH. The background check will involve accessing publicly available, Internet-based sources.

Member Selection

The Secretary of Labor will select MACOSH members based on their experience, knowledge, and competence in the field of occupational safety and health, particularly in the maritime industries. Information received through this nomination process, and other relevant sources of information, will assist the Secretary of Labor in appointing members to MACOSH. In selecting MACOSH members, the

Secretary of Labor will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals. OSHA will publish a list of MACOSH members in the **Federal Register**.
