SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Reports of Injuries to Employees Operating Mechanical Power Presses information collection. In the event a worker is injured while operating a mechanical power press, regulations 29 CFR 1910.217(g) makes it mandatory for an Occupational Safety and Health Act (OSH Act) covered employer to report, within thirty (30) days of the occurrence, all point-of-operation injuries to operators or other employees either to the Director of the Directorate of Standards or to the State agency administering a plan approved by the Assistant Secretary of Labor for Occupational Safety and Health. Particularly, this information identifies the equipment used and conditions associated with these injuries. These reports are a source of up-to-date information on power press machines. This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218-0070.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on October 31, 2015. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–75646; File No. SR–MSRB–2015–07]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing of a Proposed Rule Change Consisting of Revisions to the Content Outlines for the Municipal Fund Securities Limited Principal Qualification Examination, Municipal Securities Representative Qualification Examination and Municipal Securities Principal Qualification Examination and Revisions to the Selection Specifications for the Municipal Securities Principal Qualification Examination

August 7, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that on July 31, 2015, the Municipal Securities Rulemaking Board (the “MSRB” or “Board”) filed with the Securities and Exchange Commission (the “SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the MSRB. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The MSRB filed with the Commission proposed revisions to the content outlines for the Municipal Fund Securities Limited Principal

Qualification Examination (Series 51), Municipal Securities Representative Qualification Examination (Series 52) and Municipal Securities Principal Qualification Examination (Series 53). As a result of changes to MSRB rules, revisions to the content outlines are necessary to more accurately indicate the current rule requirements and rule citations. Additionally, the MSRB is proposing revisions to the selection specifications for the Series 53 qualification examination (collectively, the “proposed rule change”).³ The MSRB is not proposing any textual changes to its rules.

The text of the proposed rule change is available on the MSRB's Web site at www.msrb.org/Rules-and-Interpretations/SEC-Filings/2015-Filings.aspx, at the MSRB's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The MSRB has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Section 15B(b)(2)(A) of the Act⁴ authorizes the MSRB to prescribe for municipal securities brokers or municipal securities dealers and their associated persons standards of training, experience, competence, and such other qualifications as the Board finds necessary or appropriate in the public

³ The MSRB is also proposing changes to the question banks for the Series 51, Series 52 and Series 53 examinations, but based upon instructions from the Commission staff, the MSRB is submitting SR–MSRB–2015–07 for immediate effectiveness pursuant to Section 19(b)(3)(A)(i) of the Act and Rule 19b–4(f)(6) thereunder, and is not filing the question banks for Commission review. See letter to Diane G. Klinke, General Counsel, MSRB, from Belinda Blaine, Associate Director, Division of Market Regulation, SEC, dated July 24, 2000, attached as Exhibit 3d. The question banks are available for Commission review. The selection specifications for the Series 53 examination, Exhibit 3e, have been omitted and filed separately with the Commission for confidential treatment pursuant to Rule 24b–2 of the Securities Exchange Act.
